LOCAL CANOEING / BIKE EXCURSIONS 2013

Dear Parents,

Your child will be involved in canoeing and bike activities at Lynbrook Primary School throughout the year. The canoeing lessons will be held at the lake located within the local park (on Paterson drive) Lynbrook next to the school. These sessions will teach students water confidence whilst learning how to operate a canoe. Students will wear a life vest at all times and be supervised by qualified staff.

Bike riding will take place in the school and on the surrounding paths, using Lynbrook Primary School’s bikes and helmets. This activity will be taken by qualified instructors.

Students will change into their canoeing clothes at school. Either bathers or a change of underwear will be needed. Students MUST bring the following items to be able to participate in this activity:

- Fully enclosed shoes (old runners are fine) for canoeing in
- Hat & sunscreen
- Shorts & long sleeved shirt or jumper
- Towel
- Windproof Jacket (optional)
- Plastic bag for wet clothing

Due to the children leaving the school, your consent and signature on the following indemnity form is necessary.
