Mathematics	Number	Place value, Fractions, Decimals, Patterns	Place Value, money	Fractions, Money, Patterns and Algebra	Revise - Fractions and decimals
	Operations	Addition, Subtraction, Multiplication, Division	Addition, Subtraction, Multiplication, Division	Addition, Subtraction, Multiplication, Division	Revise - Addition, Subtraction, Multiplication, Division
	Measurement		Angles, Time, Area and Perimeter, Volume and Capacity		Revise - Angles, Time, Area and Perimeter, Volume and Capacity
	Geometry		Shape - 2D Representation and 3D nets. Location and Transformation	Location - Use grid references to describe locations Lines and Angles - Estimate, measure and compare angles using degrees	Revise - Shape - 2D Representation and 3D nets. Location and Transformation
	Statistics		Data Representation		Data Representation - Describe and interpret

					different data sets in context
	Probability		Chance		Chance - Explore and use the language of probability
		Theme: Adaptations	Themes: North America and Europe and Migration	Theme: Creativity	Theme: Health and Human Development and Civics and Citizenships
Science	Biological	structural features to survive in their environment			
	Chemical	solids, liquids and gases behave in different ways			
	Earth & Space				
	Physical				
	Inquiry Skills	questioning, predicting, planning, conducting, recording, analysing, evaluating, communicating			
Geography	Concepts & Skills		Collecting information and interpreting maps , Place, space and interconnection, Data and information		
	Knowledge		Location of the major countries of Europe and North America, in relation to Australia		
History	Concepts & Skills		Questioning, clarify information and identify patterns		
	Knowledge		Migration and the significance of key figures and events that led to Australia's Federation		
Economics & Business			Smart Salary		
Civics & Citizenship					Describe the roles and responsibilities of the three levels of government, including shared roles and

					responsibilities within Australia's federal system
Design & Technology				Investigated and worked through the design process to create a sustainable product	
Digital Technologies		Critique needs or opportunities for designing, and investigate materials, components, tools, equipment and processes to achieve intended designed solutions	Display understanding using technology.	Integrated elements of coding into creativity projects	Explore coding through Scratch
Media Arts			Tell stories using a range of media artwork		Explore the layers of meaning through audio and visual text
Health		Maturation and Puberty			Exploring the physical, social, emotional and community health.
Critical & Creative Thinking			Experiment with alternative ideas and actions. Identify and form links and patterns from different sources to generate ideas and possibilities	Students practice and apply learning strategies, including constructing analogies, visualising ideas, summarising and paraphrasing information	
Ethical Capability		Self Awareness and Management Respectful Relationships Mindfulness	Decision making and problem solving Respectful Relationships Mindfulness	They explain different ways to respond to ethical problems and identify issues related to these Respectful Relationships Mindfulness Exploring and challenging stereotypes that exist in societ	Examine the contested meaning of concepts including truth and happiness and the extent to which these concepts are and should be valued Respectful Relationships Mindfulness
Intercultural Capability		Examine and discuss the variety of ways in which people understand and appreciate differing cultural values and perspectives, and the things which promote or inhibit effective engagement with diverse cultural groups	Comparing differences between adult rights of passages in different countries. Respectful Relationships Mindfulness	Respectful Relationships Mindfulness	Understanding different cultural groups Respectful Relationships Mindfulness

		Respectful Relationships Mindfulness			
Personal & Social Capability	Respectful Relationships	GREAT Values- links between behaviour and emotion, relationship, health and wellbeing	Personal Strengths, Personal and cultural identity and responding to new and challenging situations	Relationships and Diversity - Define and recognise examples of stereotypes, discrimination and prejudice and discuss how they impact on the individual	Identify the characteristics of an effective team and develop descriptions for particular roles including leadership, and describe both their own and their team's performance when undertaking various roles
		Harmony Day Gr 5 Camp Brainstorm Incursion First Aid Incursion	Immigration Museum Excursion Smart Start Incursion Cyber Safety by VICPOL Graffiti Incursion	Creativity Excursion to ACCA Author/ Illustrator Billycart Incursion Tinkering Incursion Drama Toolbox - Body Investigators	Parliament Incursion
